## 11. Risk Management

From the audits done by the Auditor-General and Internal Audit and the Provincial assessment the following issues were noted which requires monitoring before the municipality is exposed.

NO.	ISSUE RAISED	ISSUE RAISED BY	PROPOSED ACTION TO ADDRESS ISSUE	DUE DATE	CURRENT STATUS ON REPORT DATE
	<b><u>Auditor General</u></b>				
1.	Competitive bidding processes not followed	AG	<p><b>Management response</b></p> <p>Audit finding acknowledged. It is a fact that the SCM policy and the requirements of the MFMA were not followed for the appointments of the service providers in question. The incorrect process followed was explained to the auditors and the only available documents pertaining to these appointments were given to the AG. Therefore there are no other documents hence we argue that it is irregular expenditure rather than a limitation of scope.</p>	14/11/2017	In progress
2.	<p>1.The performance of some of the contractors was not monitored on a monthly basis, as required by section 116(2)(b) of the MFMA.</p> <p>2.The contract performance and monitoring measures and methods were insufficient to ensure effective contract management, in contravention of section 116(2)(c) of the MFMA.</p>	AG	<p><b>Management response</b></p> <p>Management agrees with the audit finding. Management will ensure that for new projects the appointments and the contracts shall be in accordance with SCM regulations, SCM policy and MFMA.</p>	20/11/2017	In progress
3.	Contracts were awarded to contractors that were not registered with the CIDB in accordance with section 18(1) of the CIDB Act and CIDB regulations 17 and 25(7A) .This non-compliance was identified in the procurement processes for Balgray road, Kwa-Ntaba gravel road, Small town rehabilitation(Kantoor and De Kock	AG	<p><b>Management response</b></p> <p>We have not received a request of the information raised in this finding. The contractor is contracted to the service provider and not the municipality, however we have established that the service provider who was contracted by TL Engineering has a CIDB grading of 8CE (refer to the CIDB grading documents supplied). We have requested more documents. We will make them available as soon as we get them.</p>	22/11/2017	In progress

4.	<p>Prior year's unauthorised, irregular and fruitless and wasteful expenditure not investigated</p> <p>It was noted that the municipality does not conduct effective and insightful investigations into the unauthorised, irregular or fruitless and wasteful expenditure.</p>	AG	<p><b>Management response</b></p> <p>The finding is acknowledged. This function of performing the investigations has to be performed by a committee of council in terms of section 32 of the MFMA. Going forward the same will be forwarded to such committee.</p>	13/11/2017	In progress
5.	<p>No reasonable steps were taken to prevent unauthorised, irregular, fruitless and wasteful expenditure.</p> <p>During the audit it was noted that irregular expenditure and fruitless and wasteful expenditure had been incurred in the current year and the prior year. Management has not taken the necessary steps to prevent the re-occurrence of irregular and fruitless and wasteful expenditure in the current year. It must be noted that non-compliance that caused the irregular expenditure in the previous year re-occurred in the current year</p>	AG	<p><b>Management response</b></p> <p>The audit finding is acknowledged, management will endeavour to take reasonable steps to prevent irregular, fruitless and wasteful expenditure.</p>	13/11/2017	In progress
